

Would you like to make a pledge to Sponsor-A-Shelf?

We have a new way to help fill the pantry shelves at Community Sharing - Sponsor-A-Shelf (SAS).

Businesses, organizations and even families can purchase needed items, bring them to Community Sharing and stock a shelf (or have us do it for you). We will snap a photo of you and your "shelf," post it on our Facebook page for you to share, and list you or your business on our website during the time you Sponsor-A-Shelf.

The matrix below shows our biggest needs at this time. Take a look and see what item(s) and quantity fits with your budget.
