COMMUNITY SHARING IS A 501(C)(3) NON-PROFIT ORGANIZATION

Search: Community Sharing Outreach Center

*Proud First Sponsor: Milford Presbyterian Church
Featured: Sandi Muirhead & Virginia Mantela*

Feeding distressed families and individuals throughout the Huron Valley School District is what Community Sharing is all about. As a 501(c)(3) non-profit organization we rely on donations as well as proceeds from fundraisers to make food purchases. We wanted to add a new dimension - having businesses, organizations and families get closer to helping in the efforts to feed the hungry in our community.

Sponsor-A-Shelf (SAS) is an idea with simple execution. Select an item from the matrix on the facing page then make a commitment of one month, one quarter or one year when completing the form on the back page. Decide if you would like to purchase the items then deliver and stock a shelf or if you would prefer CS make the purchase from the food bank on your behalf.

With each pledge a placard identifying your business, organization or family will be proudly placed on a shelf in our pantry for the duration of your sponsorship. In addition, your name and a photo of you in our pantry will be posted on Community Sharing's Face book page. Your name will also be added on our website SAS page, if you wish.

Your donation will help immensely. The money usually allocated for the items listed on the facing page can be redirected to purchasing meats and produce because of you sponsoring a shelf. We hope you will join the businesses, organizations and families that have already made the commitment to be a part of Community Sharing's Sponsor-A-Shelf.
