

Building to Feed the Hungry

Community Sharing Capital Campaign

We have received your generous gift to our Building to Feed the Hungry capital campaign and want to personally thank you. At Community Sharing, we value each and every one of our supporters, and appreciate the trust and confidence they place in us to fulfill our mission.

With your donation, we are one step closer to realizing the construction of a permanent home within our community for those in need to come for assistance and a place for our 200+ volunteers to come to serve. As you know, there is a tremendous need for our community to serve those individuals and families suffering from food insecurity, on a limited fixed income, or with emergency assistance needs. With your contribution, we are one step closer to ensuring that no child goes to bed hungry, and no senior must choose between paying a heating bill or eating.

You are truly making a difference for Community Sharing and the individuals, families, seniors and children we serve. You are providing Community Sharing the means to support those in need so that they remain contributing members of our community.

If you have specific questions about how your gift is being used, or you want further information on how to continue your support, please do not hesitate to contact us. We are available by phone at 248-889-0347 or you can visit our website at www.buildingtofeedthehungry.org.

Thank you,
